Town Hall 258-2246
Ryan Spitzer 998-2639
Town Manager

PEDESTRIAN CROSSWALK COMING SOON!

VDOT has announced they will install a new pedestrian crosswalk at the intersection of Blue Ridge Road and Fitzlee Street, Spring 2012. This location was picked by the Town of Glasgow due to the many requests received from citizens and the high volume of people using this intersection on a daily basis. This crosswalk will give a safe path for citizens to reach the local businesses along Blue Ridge Road and for children to cross into the Town Park safely. Call Town Hall with questions.

WANT YOUR NEWS REPORTED IN THE NEXT ISSUE OF THE GLASGOW HERLAD? CALL TOWN HALL AT 540-258-2246

CAREER CAFÉ

Held every Thursday at the Glasgow Episcopal Church located on Blue Ridge Road from 4-6PM. Trained staff will assist you in filing for your unemployment and also help with finding a job. Come check it out!

A MINUTE FROM THE TOWN MANAGER RYAN SPITZER

As another year ends and one begins, I would like to reflect on some projects the Town has completed. The Town has completed several upgrades to the Park. These include a new walking/running track, a new piece of playground equipment, sealing the basketball court, benches around the track for sitting and landscaping. The Town is also working on landscaping down Blue Ridge Road as well as improving space at the shelter designated for hikers and making improvements to the area at the boat landing to increase tourism traffic into Town. The Town is committed to maintaining facilities for its residents to use. This next year will be like the previous two; low ancillary funding from the State as well as increased State mandates that the Town will be burdened with funding. Like any other locality, the Town will have to concentrate on creating a balanced budget that is focused on its core responsibilities to its citizens. Finally, with winter approaching I would like to remind all of you to check up on your elderly neighbors. Many times they do not have family readily available to make routine checks on them. Keep the ball rolling year after year. Let's work hard in the New Year to make Glasgow a better place!

APPALACHIAN TRAIL COMMUNITY

What this means... The Appalachian Trail Community™ program is designed to recognize communities that promote and protect the Appalachian Trail (A.T.). Towns, counties, and communities along the A.T.'s corridor are considered assets by A.T. hikers and many of these towns act as good friends and neighbors to the Trail. The program serves to assist communities with sustainable economic development through tourism and outdoor recreation, while preserving and protecting the A.T. Visit the Town website for more information. www.glasgowvirginia.org

TOWN HALL REMINDERS

2011 Taxes – Late! 5% penalty has been added to your taxes for the year 2011. Taxes will be delinquent as of June 5, 2012, when 10% interest is added. Town decals cannot be purchased until taxes are paid in full.

TOYS FOR TOTS EVENT WAS A SUCCESS

During the month of December, The Glasgow Vol. Fire Department along with the Glasgow Dollar General Store had a Toy Drive for Toys for Tots. They have reported that the event was a huge success with around 110 people attending and 120 toys were collected. They would like to thank everyone who participated and made a child’s Christmas brighter this year. Their hope is this will be an annual event.

TOWN PROJECTS KEEPING YOU UP-TO-DATE

Town Hall received a grant from the Department of Mining and Minerals Engineering. They granted us \$22,000 with a \$3,000 matching from the Town for a total of \$25,000. This money will be used to upgrade the Town Hall HVAC system, replace the windows, lights and appliances with energy-efficient equipment.

The Town is looking to upgrade some items at the wastewater treatment plant to be more energy efficient along with replacing some broken parts.

The Town of Glasgow is working with Hurt & Proffitt to test for new well sites. Once a site is approved and all the details are worked out, the Town will move forward with adding a 3rd well in Town for a backup.

Renting of Pavilion, Horseshoe Pits and Knick Field

Please call Town Hall at 258-2246 in order to reserve any of these facilities as they do get booked very quickly. A short form must be filled out in advance which can be found on the Town website or picked up at Town Hall. There may also be a small fee attached for use of facilities.
