

Dear supporters of the 30. Nov 2012

~~Glasgow Hikers Shelter,~~  
~~Thank you so much for providing~~  
~~this wonderful shelter in Glasgow!~~  
 I also am very thankful for  
 the use of the computers at  
 your lovely library. ~~on~~ The  
 shower and potable water  
 at the shelter was a great  
 added bonus, not to mention  
 the porta-potty. I had a  
 very difficult decision to  
 make in Glasgow - organizing  
 a ~~one~~ flip-flop to me much  
 earlier than planned - and the  
 services you provided made  
 it easier to handle. I appreciate  
 all you do for the hikers and  
 hope you will continue to  
 serve them for many years to come!

City of Glasgow,

We wanted to send a quick thank you to one of the best towns on the Appalachian Trail. Thanks to your support and incredible accommodations for thru-hikers, we were able to successfully complete our hike. Looking back, our time in Glasgow remains one of the best memories of any trail towns we visited (i.e. we're not the only ones who think so!). Thanks again for everything
